June 2017

Thank Goodness For Staff

Thank Goodness for Staff is a springtime celebration organized by UC Davis Staff Assembly in honor of all UC Davis staff members. The 2017 TGFS picnic was our 37th year celebrating the wonderful staff at UCD!

This year's festivities included:

- Guess the Weight
- Logo contest
- Spot the Staff Pin
- Rock Wall / Hamster Ball / Dunk Tank
- Watermelon eating contest
- Series of sporting events

Vendor tables helped Staff Assembly to raise in excess of \$18,000 which goes to support our scholarship program.

In addition to our main TGFS picnic, Staff Assembly organizes a smaller event to celebrate our swing shift employees!

May in August

The Board of Regents confirmed Gary May as our seventh chancellor on February 23rd. Chancellor May comes to us from Georgia Institute of Technology where he served as the Dean of Engineering. In April, Chancellor May visited campus and met with the Staff Assembly Executive Committee. Chancellor May is already engaging with the campus community and we look forward to May in August!

More information regarding Chancellor May can be found [here](#).
