

UC Davis Health System Staff Assembly

**UCDHS Campus Update
May, 2016**

UCDHS Staff Appreciation Day

- Staff Assembly helped serve lunch for about 6,500 people at TGFS on Thursday, May 12, 2016. In collaboration with the Human Resources Department, Food and Nutrition Services, and Special Events, UCDHS Staff Assembly worked hard to help coordinate both the Thank Goodness for Staff & Diversity Appreciation luncheon and the Employee Excellence Awards and Diversity Celebration Breakfast this year. We also provided volunteers for set-up for both events, awardee check-in at the breakfast, and food carton distribution at the luncheon.

Employee Excellence Breakfast Event

- Each year, the Health System recognizes top performing employees at the Employee Excellence Awards and Diversity Celebration breakfast. This year's breakfast event was held on Tuesday, May 10th. The criteria for the awards is based upon the Health System's strategic guiding principles: Excellence in Compassion, Diversity, Leadership, Social Responsibility and/or Teamwork/Collaboration. The theme for this year's breakfast event was "Inclusive Excellence". Nominations were solicited over the month of March for staff, faculty, and resident/fellows. We received over 200 nominations and about 60 employees were selected to receive a framed certificate and be recognized.

Breakfast with the Chancellor

- UCDHS Staff Assembly coordinated an event called Breakfast with the Chancellor. For the first time, the Chancellor had breakfast with UC Davis Health System employees. Topics included from the health system's revenue, day care, research and many more. There were a total of 20 employees that had the opportunity to ask and find out if the Chancellor was going to make more of a presence at the health system.
