UCDHS Campus Update
Winter, 2016**

Career Showcase

- The inception of this event was in October 2014 and was planned to increase employee awareness of available career development resources. UC Davis Campus Staff Assembly partnered with HR talent Management and Talent Acquisitions to create the Career Resources Showcase. The event would occur alternate years at each campus, or on as need basis. The Health System held this event in September 2016 and had four topics of interest presented to staff. It includes 'Career Journeys' (Employee Panel), 'Application process for UCDHS and UCD', 'Your Star Success Stories' and 'Manage your Career / An overview of T&D programs and services'.

Staff Assembly members volunteered at the employee resource table at these events. Event was very successful and employees provided positive feedback and increased interest for such events.
