

UC Irvine Campus Update June 2017

Staff Volunteers Reach Over 220 Hours of Service - UCI's Staff Community Relations

Committee provided many opportunities for Staff across campus to volunteer in our community. Past programming includes assembling boxes of food for local food banks, sponsoring fellow UC Irvine staff and their families during the holiday season, gathering toys and supplies for children during the holiday season, clothing drives, and beach clean-up events and most recently volunteering at

Run Disney and Walk for Autism.

UCI Staff Assembly raised \$3,165 at UCI Giving Day!

The Mike Puritz UCI Staff Assembly Career Enhancement Scholarship Program provided a record 3 scholarships this year.

2016-17 Fall = 2 awards (3 recipients, 2 of them shared the \$500 award) = up to \$1,000

2017-18 Spring = 10 awards (10 recipients) = up to \$5,000

The UCI Staff Assembly Scholarship opportunity is offered to all full-time or part-time UC Irvine career staff employees who have completed their six-month probationary period. Qualified career development training activities include courses, seminars, webinars, and conferences. Scholarships are supported through fundraising and donations from UC Irvine staff and the community.

When everybody gives, we all gain.

Staff Assembly hosts UCI Police Chief, Jorge Cisneros, for the "Behind the Badge". Staff were invited to look behind the scenes at the roles and responsibilities of police officers and professional staff from your UCI Police Department. Our purpose is to share information in an informal setting and answer your questions in order to develop and retain a strong partnership with UCIPD and staff.
