

Riverside Campus Update June 2016

2016 Spring General Meeting

On May 17, 2016, Staff Assembly hosted our Spring General Meeting. Agenda items included reports from our Staff Assembly Board Members, CUCSA updates, and service award milestones. Our guest speakers were UCR's Chancellor Kim Wilcox and Dr. Tracy Kahn Curator and Givaudan Citrus Variety Collection Endowed Chair. We had 156 staff members receiving awards and the years of service for the recipients totaled 1670.

2016 Community Partner Fair

Our annual Community Partner Fair (CPF) increased the vendor count to over 40. Coordinated and sponsored by the UCR Staff Assembly, the CPF invites companies and organizations to the UCR campus to showcase their products and/or services to staff, faculty and students. The event provides almost one third of the assembly's annual budget.

UC Walks and UCR Relay for Life Event

The Staff Assembly was heavily represented at the UCR Walks event this year, with board members and assembly volunteers manning booths and the event stations on the track.

On May 21st, the UCR Staff Assembly had a four-person team that walked for 15 hours straight in the relay for life event to support the American Cancer Society. The team walked over 100 miles cumulative and raised \$925 for the cause.

2016 Beautify UCR event

This year, the Staff Assembly Beautify UCR event was combined with the Highlander Day(s) of Service. We replanted and made improvements to our staff memorial plaza and garden. The event was the best attended in several years.
