

Campus Update June 2016

2016 Staff Celebration Week (SCW)

Staff Celebration Week was held on campus from April 25th – 29th, 2016. One of our activities is an all staff luncheon, which is usually held on Friday's to close out the week, we had to have the all staff luncheon on Tuesday, but we seem to have our biggest turn out for a Tuesday.

Another event that is held during SWC is a staff social. This year was a carnival theme, they had a cotton candy machine, balloons, popcorn machine, and popsicles. The weather was perfect and the staff really seemed to like the theme.

Art & Crafts Bazaar is also held with the Staff Social. Staff from across campus bring their handmade items to sell, another great turnout that staff, students and some faculty enjoy.

Engagement Survey Update

The committee continues to work on ideas of communicating with staff. We are planning another town hall in September to continue to work on overall engagement on our campus.
