

Campus Update June 2017

Engagement Survey Workgroup

On May 31, four members of the Campus Engagement Survey Workgroup (Human Resources Director, Labor Relations Manager, Staff Assembly Co-chair/CUCSA delegate and former Staff Assembly Co-chair/CUCSA delegate) will meet with UCSB senior leadership to provide an update on the progress of efforts made on staff engagement and discuss the current survey. The workgroup is in the process of applying for funding for two engagement projects from the Healthy Campus Network. The workgroup continues to pursue the following action items: a digital bulletin board for staff; a volunteer initiative to support the Isla Vista community; and establishing a campus-wide event recognizing service milestones starting at five years.

Staff Celebration Week

UCSB held its annual Staff Celebration Week Saturday, April 29 through Friday, May 5. Highlights of the week included the Staff Assembly Ice Cream Social, where staff were served ice cream by senior administrators, the Chancellor's luncheon, presentation of the annual Staff Citation of Excellence awards, Staff Assembly Cookie contest, Staff Social and Arts & Crafts Bazaar, and a variety of tours. The week of events is planned and coordinated by the Chancellor's Staff Advisory Council, Staff Assembly, Academic Business Officers Group and the Professional Women's Association.

Staff Citation of Excellence Awards

Staff Assembly selected ten winners of the 2017 UCSB Staff Citation of Excellence awards. The Chancellor, Associate Vice Chancellor of Administrative Services and the Staff Assembly co-chairs presented the award winners with a plaque and \$500 award at the Chancellor's luncheon during Staff Celebration Week. The awards are coordinated by Staff Assembly and funded by Vice Chancellor of Administrative Services Marc Fisher.
