

## Campus Update Summer 2016

### **Website and first contact**

After months of work, the Staff Association [website](#) was launched. The new site was quickly followed by an email to staff announcing their membership and welcoming them to the listserv. There was also an [article](#) in *This Week at UC San Diego*.

### **Engagement Survey Town Hall**

The Staff Association hosted a town hall on Thursday, May 19, in regards to the engagement survey. Results were posted [online](#) with a brief introduction from campus leaders.

### **Meet and Greet with Regent Perez**

Staff Association Executive Board members and affiliate group leaders were invited to meet with Regent Perez and speak about staff issues. The one-hour meeting was beneficial as it gave staff leaders more insight into what the role is of the Regents and it allowed staff leaders the opportunity to share with Regent Perez topics of importance for staff at UC San Diego.

### **Meeting with Gary Matthews, Vice Chancellor – Resource Management and Planning**

Vice Chancellor Matthews hosted a lunch to discuss the current plans for campus growth and possible future plans. The meeting allowed staff leaders to provide feedback and input. The session was scheduled for an hour but went for two as there was a lot of meaningful discussion about key areas like childcare, parking, transportation and culture.
