

**Campus Update  
September 2017**

**Staff Engagement Survey Workgroup**

The Staff Engagement Survey Workgroup, which is comprised of representatives from the Chancellor's Staff Advisory Council (CSAC), Staff Assembly, Professional Women's Association (PWA), UC Administrative Management Professionals (UC AMP) and Human Resources, is moving forward with implementing the digital bulletin board, OrgSync, and Service Milestone Award Ceremony in 2017-18. Both projects were recently presented to senior leadership and received positive responses.

The first year of funding was awarded by the Healthy Campus Network (HCN) to launch OrgSync for staff and faculty. The platform is expected to launch in Winter 2018.

**Annual Staff Assembly Retreat**

Staff Assembly board members met on August 30<sup>th</sup> for our annual retreat. Four new staff members have joined the board, raising our headcount to 18 members. The board reviewed the events and activities that were coordinated over the past year, as well as, our goals for the upcoming year. This year's retreat was bittersweet as we said goodbye to our campus sponsor, Vice Chancellor for Administrative Services Marc Fisher, who will be transferring to UC Berkeley.
