CUCSA Campus Update
September 2011

The Office of the President Staff Assembly continued to co-sponsor presentations and events with other Office of the President groups. Specifically we co-sponsored “A Taste of Diversity”, an event held in August and the LGBT ice cream social in June. In addition to the support of these events, the OPSA is helping to revitalize the affinity groups and encouraging the organization of more. OP’s newest affinity group is the “Young Professionals” group started by our newly elected Vice-Chair Shelby Chin.

We also held a campaign to collect school supplies for Frick Middle School in Oakland which was a huge success! UCOP staff collected supplies and stuffed backpacks for 150 incoming 6th graders and delivered those supplies to the school prior to the first day of school. A special thanks to UCSB for the idea!

We are also spearheading a fall town hall with President Mark Yudof on October 7. Long term plans include the organizing a staff picnic (still!) and other measures designed to break down cubicle walls, perhaps staff art installations or orientation buddies.

Last but not least, we held elections for our four open positions in June and elected OPSA Officers in July.
