

Office of the President
Staff Assembly
University of California

**Office of the President Staff Assembly Quarterly Update
June 2012**

The Office of the President Staff Assembly continued to co-sponsor presentations and events with other Office of the President groups. Specifically we co-sponsored:

On March 2, we supported the UC Staff Advisors with the Faculty and Staff Interactive Web Chat with UC President Mark Yudof.

On April 6th, the affinity group “UCOP Oakland Project” met; this group is one of the many affinity groups encouraged and supported by the OPSA. The Oakland Project consists of OP Staff interested in working to revitalize the downtown local area by working with local associations and vendors and finding opportunities for community service.

On May 15, we teamed with the LBNL Staff Assembly to co-sponsor a staff opportunity to tour the NERSC super computer facility located at 20th and Broadway, Oakland.

On May 24th we met with our OP Mural Project team to discuss the selection of the artist for the mural to be painted on the rear entrance of the Franklin Building (facing Broadway). Although the artist has not been selected; it is the vision of the OPSA and the mural committee to select an artist that will create a mural to reflect the spirit of the University of California.

We also continue to support monthly “First Friday” breakfast at both the Franklin and Kaiser building. The breakfast is attended by representative(s) of upper management to provide both UC Leadership and the employee an opportunity to meet and interact in an informal setting. In addition, affinity groups representatives are present and employees have the opportunity to talk to representatives and learn more about their group while enjoying a hot breakfast.

Our OPSA is also working on our OPSA Steering Committee for the upcoming term; our campus elections will be held June 14 – 22.
