Quarterly Update
December 2011

The Office of the President Staff Assembly continued to co-sponsor presentations and events with other Office of the President groups.

On October 7, we hosted a town hall with President Mark Yudof where he delivered prepared remarks to employees and then accepted questions in writing or aloud. The conversation was also available on simulcast and employees were able to submit questions in advance to our email. No remote question submission during the event; approximately 300 employees attended in person and an additional 500 listened to the simulcast.

In addition, we participate in a monthly breakfast for employees at both the Kaiser and Franklin building locations and OPSA has reached out to UCOP senior management group to participate in the breakfast by acting as the host greeting individual employees as they wait in line for breakfast. Charles Robinson, Nathan Brostrom, Jack Stobo and Dwaine Duckett have all taken their turn to host a breakfast this fall and others are scheduled to host in 2012. We have received positive comments from employees that they welcome and enjoy the opportunity of meeting UCOP leadership at the monthly breakfast.

We continue to encourage the organization of additional affinity groups and plan for 2012 programs and events such as “New Employee Buddy” and all employee picnic.
