

UC Irvine Campus Update December 2011

Staff Appreciation

We had many events this quarter. We had our Annual costume contest held at University Club on October 31st which included a discounted buffet for costumed attendees. We hosted our UCI main campus vs. UCI Medical Center volleyball game this year and the winner was EH&S from our main campus. We held our tailgate party for the UCLA football game on Oct 29th with approximately 50 attendees.

Scholarship

This year we are trying out a new See's Candy fundraiser in addition to existing fundraisers. All money raised through the sale will go directly towards the Staff Assembly Career Enhancement Scholarship Program; a program which helps UC Irvine career staff employees continue their education in associate, bachelor's or graduate programs at community colleges, state colleges or universities.

Community Relations

The MS Bike Ride Rest Stops was held on October 22nd. UCI has teamed up with the Pacific South Coast Chapter to man the first rest stop along the 100 and 150-mile MS Ride event bike route to hand out water and snacks, to provide basic medical attention, and to cheer on the riders.

UCI Staff Assembly Community Relations Committee is sponsoring the annual UCI Staff Holiday Helping Hands Program to assist UCI families in need. This confidential program will match families who need assistance anonymously with those able to help.
