The UCR Staff Assembly spring general meeting provided the Board an opportunity to announce the annual outstanding staff award nominees, as well as provide updates on several programs, including the ever-growing participation of the campus community in Society '54.

Guest speaker, Dr. Karen White, Associate of the Chancellor, presented staff service awards.

Outgoing Staff Assembly President, Steve Lerer highlighted this year's many accomplishments.

After a well-deserved standing ovation for his tireless efforts, he graciously turned the reigns over to the 2012-2013 Staff Assembly Board.

Through his initiatives toward that vision, he has fostered a renewed sense of belonging among the UCR Staff.
