

Riverside Campus Update June 2013

2nd Annual UC Riverside Community Week

Community Week included five days of campus centered events. On Monday, May 20th, we had our Spring General Meeting where we recognized our incoming board, our outgoing board and over 1845 years of service from 150+ staff members.

Tuesday, May 21st was our community Barbeque. UC Riverside Staff Assembly offer a picnic style BBQ. Although the lunches are limited to the first 300 who RSVP, we had such a large response that we offered another 50.

Wednesday, May 22nd was the UC Walks event. UC Riverside had over 600 walkers. The UC Riverside Staff Assembly co-sponsored the event.

UC Riverside Campus Beautification Day was Thursday, May 23rd. Faculty, Staff and Students joined together to plant ground cover between our Science Laboratories I and Pierce Hall buildings.

Community week completed with our Volunteer luncheon on Friday, May 24, 2013. We acknowledged all of the volunteers from this year's staff assembly events.

2013-2014 Staff Assembly Executive Board Elected

UC Riverside had just over 10% voter turnout from our 2300 career staff members. All of our nine positions were filled and the new board will officially begin effective July 1st, 2013.

Community Partner Fair

Despite a late start and adjusted timeline, the UC Riverside Community Partner Fair was a success. This one day event invites both campus and local vendors to the campus to connect with our campus community. We had over 30 vendors from the local area participating and over 300-400 faculty, staff and students attended the event.
