

**CUCSA Campus Update  
March 2015**

**Small Business Resource Fair**

On January 29, 2015, UCLA Staff Assembly hosted the Annual Small Business Resource Fair in partnership with UCLA's Purchasing Department. There were 41 vendors, and close to 600 staff attendees, and numerous raffle prizes. The proceeds go towards funding the UCLA Staff Assembly Scholarships.

**Lunch with Dean Eugene Washington**

On February 14, 2015, UCLA Staff Assembly hosted its quarterly breakfast with Dr. Eugene Washington, the Vice Chancellor of UCLA Health Sciences and Dean of the David Geffen School of Medicine. Approximately 74 staff applied for 13 available slots for the opportunity to meet with the Dean over lunch and engage in dialogue about important health system issues. Attendance is for Health Systems staff only.

**Learn-at-Lunch**

*Success is an Inside Job*

On January 22, 2015, Staff Assembly coordinated this session to help employees improve their ability to pursue and achieve their goals. The session was presented by Matthew Cossolotto, Executive Speechwriter to the Chancellor of UCLA. More the 150 staff member explored personal empowerment tools and concepts.

**Staff Advisors to the Regents UCLA Visit**

Staff Advisors to the Regents visited UCLA on February 17, 2015. In addition to meeting with Staff Assembly and Administrative Management Groups (aka ABOG) board members, they met with the Chancellor, conducted a lunch presentation to staff and participated in a Staff Leadership luncheon, hosted by Associate Vice Chancellor Lubbe Levin. AVC Levin engaged the Ombuds Director to meeting with her and the Staff Advisors.

**I Heart Walking Learn-at-Lunches and Health Fair**

In collaboration with UCLA Recreation, Staff Assembly promoted two "heart health" Learn-at-Lunch sessions and participated in the Health Fair on February 19th. The I Heart Walking events encourage faculty and staff to walk by exploring routes throughout the campus. The newly added Learn-at-Lunches address Heart Disease in Women and Keeping a Healthy Heart. The grand finale is the Health Fair, which provides attendees with a chance to get a health screening, meet with health-related vendors and take advantage of various raffle giveaways.
