

UC Davis Health System Staff Assembly

**UCDHS Campus Update
December, 2015**

Breakfast with the Chancellor

- The Breakfast with the Chancellor program is a unique opportunity for staff to meet with UC Davis Chancellor Katehi and discuss topics that impact staff. Through this program staff are invited to share ideas on how to improve processes, increase revenue, implement solutions to challenges experienced by staff, and more. This is the first time the Breakfast with the Chancellor meetings will be held at the UC Davis Health System. We have reserved five dates for 2016 and the specific date for each event will be announced to selected participants as soon as it's confirmed on the Chancellor's calendar. Staff Assembly will work closely with each participant to ensure they are able to attend a breakfast on a date that accommodates their schedule.

Breakfast with the Vice Chancellor for Human Health Sciences and Dean of the School of Medicine

- Julie A. Freischlag, Vice Chancellor for Human Health Sciences and Dean of the School of Medicine is teaming up with Staff Assembly to coordinate some breakfast events for staff. While it's still in the brainstorming process; we feel it will be a great opportunity for staff to connect with Vice Chancellor Freischlag and discuss issues affecting the health system.

The Giving Tree, Holiday Bazaar, and Giving Tree

- We continue to coordinate all three events for our holiday season in December. We have a total of 225 children and seniors. Staff from the health system is sponsoring. Our Holiday Bazaar and Giving Tree is schedule for December 2nd.
