

Campus Update March 2016

Engagement Survey Update

Staff Assembly delegates, Greta, Erica and Julie with our Acting Director of Human Resources, Cynthia Seneriz, did our Engagement Survey Town Hall on January 12th. We did an interactive piece where people used their cell phones to answer questions. Everyone thought that was fun. We had over 400 people attend and received a lot of feedback from attendees. We will be working on what to tackle first.

Citation of Excellence Awards

Our deadline to submit any nominations was Friday, 2/19, we had 40 nominations, which is good. Staff Assembly board members will go through and read all the nominations and will select the best 10 for the \$500 award and recognition to be presented at the Staff Celebration Week.

Staff Celebration Week

We hold an annual staff celebration week. This year it will be the week of April 25-29th. We have events like, ice cream social, cookie baking contest, tours, etc. End the week with a luncheon where we do our Staff Awards.
