## STAFF ASSEMBLY

Campus Update  
February 2017

### **Giving a Hand to Students**

Staff Assembly is collaborating with several on campus student organizations such as The Pantry and the Center for Student Involvement to create volunteer opportunities for staff. Opportunities include volunteering as tutors and serving as volunteer advisors to the local Sorority & Fraternity chapters. More information about volunteer opportunities can be found [here](#).

### **Sub Committee Update**

In late December 2016 five sub committees launched with official charge letters from the Staff Assembly Executive Committee. The Outreach and Fundraising committee has partnered with the Academic Officers of the Future program to develop a marketing and communication plan surrounding Staff Assembly fundraising efforts. This plan will be drafted over the next three months and will be presented to the outreach committee in late April 2017.

### **Citation of Excellence and Staff Scholarship Program**

Staff Assembly is currently accepting application for the Staff and Dependent Scholarship Program as well as the Citations of Excellence Program.

The Staff Scholarship Program is funded by generous endowments, sales of Staff Pins, and TGFS sponsorships. Annual award amounts vary depending on the number of qualified applicants and the amount of available funds.

The Citations of Excellence Program is funded by an annual budget allocation from the Chancellor's office.
