

Riverside Campus Update September 2013

2013-2014 Staff Assembly Executive Board Elected

Elections were held in May/June of 2013 and all positions were filled. The elections resulted in a mix of both returning and new board members. We had a transitional meeting of the new board and the out-going board to provide position training and to ensure momentum and continuity of initiatives. The new board has met throughout the summer and is working to have a successful year supporting staff.

Meeting with Interim Chancellor Conolly

We had the opportunity to meet with Interim Chancellor Conolly prior to her leaving UCR. We thanked her for her extraordinary efforts to keep the campus moving forward, especially on staff related matters. She thanked us for our service and stated that she would advise the newly appointed Chancellor of our efforts and to encourage continued support of the Chancellor's Office

Meeting with our new Chancellor Wilcox

At the Regent confirmation on campus, the Staff Assembly Executive Board had the privilege of meeting with Chancellor Wilcox. We are excited to have our 9th Chancellor and he presented himself as a dynamic leader. We look forward to his leadership.

Meeting with UC Path

UC Path is located about 10 miles from campus in Riverside. We meet with staff there to see how UCR's Staff Assembly can accommodate the inclusion of UC Path employees, which will be about 150 employees by next spring. We decided to work toward including UC Path employees at our general meetings, recognizing service milestones, and identifying a Staff Assembly Ambassador. We also will be providing a recognition event sometime in spring. The staff and director were appreciative to have a campus connection.

Annual Chancellor's Picnic

Chancellor Wilcox is hosting the annual Staff and Faculty welcome back picnic on September 20, 2013. Staff Assembly will be providing and distributing cold treats to all attendees as a thank you for all the work they will do in the upcoming academic year.
