

Staff Advisor to the Regents Visit

UCI Staff Assembly co-hosted a visit from the Staff Advisors to the Regents in April. The day began with a breakfast meeting for staff who have worked at UCI for fewer than five years. There was also a very well-attended lunchtime forum for all staff to join the Staff Advisors to discuss topics ranging from the effect of the current budget situation to staff perspective.

Pancake Breakfast

The UCI Staff Assembly was proud to sponsor the 11th Annual Pancake Breakfast on March 17. A record-breaking crowd of over 660 staff members attended the event that featured green pancakes and several donated door prizes.

Sunset Kayak Rides

The UCI Staff Assembly co-sponsored this unique opportunity to paddle the Newport Back Bay at sunset. Campus Recreation provided guides and equipment. Several available dates sold out quickly as UCI & UCIMC Staff signed-up for this exclusive event.

Staff Assembly Angels Baseball Night

The UCI Staff Assembly sponsor a night at the ballpark. This featured \$5.00 tickets for staff members and guests. Almost \$900 in proceeds from the event was donated to the Staff Scholarship Fund. The event was such a big success that we are negotiating another Angels Baseball Night later this summer.

Wellness and Safety Fair

The UCI Staff Assembly co-sponsored the 3rd Annual Faculty & Staff Wellness and Safety Fair. This event was held in the Anteater Recreation Center and attended by over 1500 staff and faculty. It included free blood pressure, cholesterol, stress and other health screenings, participatory demonstrations such as rock wall climbing, massages and Wii Fit, ergonomic and safety fittings and more. Vendor tables included various campus units such as Facilities Management, Police, and Staff Assembly, as well as off-campus vendors related to safety and wellness.
