Outreach

UCLA Staff Assembly is extending its outreach by attending various campus fairs and events such as the UCLA Housing and Hospitality Wellness Fair on March 24, 2010.

Breakfast with the Chancellor

UCLA Staff Assembly hosted the 9th “Breakfast with the Chancellor” on February 11, 2010. Over 100 staff applied for 13 available slots for the opportunity to meet with the Chancellor over breakfast and engage in dialogue about important campus issues. The Spring 2010 Breakfast with the Chancellor is scheduled for April 22, 2010.

UCLA Small Business Resource Fair

The UCLA Staff Assembly/UCLA Purchasing Annual Small Business Resource Fair was held on January 26, 2010. The fair provides an opportunity for small business to reach the UCLA community and showcase their products and services. It also raises funds for the UCLA Staff Assembly Scholarship and Awards program held annually in the spring quarter. The fair was attended by over 50 small business vendors, and raised \$8,000 for our scholarship and awards program.

Annual Business Meeting

UCLA Staff Assembly hosted its second Annual Business Meeting on February 18, 2010. About 40 guests were in attendance including current Board members, past presidents, key partners and stakeholders. The meeting highlighted Staff Assembly’s events and activities to date, and our involvement on campus- and system-wide matters.

Conversation with Regent Kieffer

Staff Assembly President and President-Elect were amongst the invitees at a luncheon with Regent George Kieffer on February 25, 2010. The luncheon was coordinated by the Chancellor’s Office, and fostered an informal conversation between invited guests and Regent Kieffer to discuss issues of concern. In attendance were several UCLA Staff Assembly past-presidents, and several senior management staff.

WASC Reaccreditation Meeting

UCLA Staff Assembly participated in the open meeting for staff during the WASC (Western Association of Schools and Colleges) Reaccreditation site visit. The open meeting was structured as a listening tour for the UCLA community to provide informal input to the members of the visit team.

Women’s Basketball VIP Reception with Mrs. Block

Partnering with the UCLA Athletics, we held our third Women’s Basketball VIP Reception with Mrs. Block, UCLA’s First Lady. The event was held on March 6, 2010, and included a pair of tickets for the UCLA vs. Arizona basketball game, and a pre-game reception with Mrs. Block. About 70 staff members applied for 25 pairs of ticket and reception.
