Building on last year's success, and the packaged sponsorship with the Resource Fair, we have reached our goal in raising funds for the Staff Assembly Scholarships. This event also fostered staff engagement in a social setting.

To further highlight the professional development opportunities that Staff Assembly offers, we hosted a Learn-at-Lunch seminar on May 18, 2010 titled "Professional Development through Staff Assembly". Approximately 40 staff attended the lunchtime event and had a chance to speak with current Board members about how Staff Assembly provided opportunities to enrich themselves professionally.
