Michelle Obama

Michelle Obama will be the commencement speaker for the UC Merced inaugural graduating class. The campus is very excited about her visit and is busy sprucing up the grounds to make a favorable impression on her and others who might be visiting the campus for the first time.

Staff Appreciation week

A celebration of staff will be held the week of June 8th. The theme this year is "Staff make a Difference". Some of the events include a volleyball tournament, talent show, free use of the recreation center and an ice cream social. Staff will also be holding a food and clothing drive during this period as part of our outreach to the local community.
