

**Campus Update
June 2007**

Staff Assembly Elections Held

The General Staff Assembly held our general meeting and elections in May and we had a really good turnout and we have added some new faces to our executive board. Our Staff Assembly is really starting to get organization recognized on campus.

Staff Assembly Staff Picnic is a go

June 1st will be our first Staff Assembly Staff picnic at the lake. We have teamed up with the chancellor's office and have gotten many other schools and departments to pitch in donations, entertainment, etc. During this Picnic we will serve food, holding drawings, and announcing the winners of the Staff Excellence award.

Staff Excellence Award

The Staff Assembly has successfully created the Staff Excellence Award for which 5 outstanding Staff members whom were nominated by peers, management, or faculty will receive a \$500 cash award and a glass etched award they can proudly display on their desks. The winners were chosen by a diverse committee consisting of an executive board member, faculty, peers, and management.

Staff Appreciation week

Memorial Day week will be our first Staff Appreciation week and we have many activities planned during this week. This week was chosen because students are not in session and the executive board felt the most Staff would be able to participate during this week. The current activities planned are. Staff Tours of our underground tunnel system, The first annual Staff Volleyball Tournament, An Ice Cream Social, Staff Assembly T-Shirts, 50/50 Raffle, Drawings, and of course the Staff Assembly Picnic on the last day.
