

## **Campus Update March 2008**

### **Citation of Excellence Awards**

We are currently in the process of selecting our 10 Citation of Excellence award winners. 43 staff members from all areas of campus have been nominated. The awards presentation will take place at the Staff Celebration Bar-B-Que on Friday, May 9.

### **Staff Housing Work Group**

A Staff Housing Work Group was formed during fall quarter and is composed of representatives from Staff Assembly, the Chancellor's Staff Advisory Council (CSAC), ABOG and the Professional Women's Association (PWA). The group has met several times to discuss topics such as prioritization for staff housing and doing another housing survey just for staff. The group also met with several key executive staff: HR Director Cynthia Cronk, Vice Chancellor of Administrative Services Donna Carpenter, and Associate Vice Chancellor of Facilities Management, Marc Fisher. North Campus housing is faculty housing for purchase but should the faculty needs be satisfied and there are units left, they will become available to staff. Next in line is Sierra Madre, rental housing for staff and students, which will also serve as temporary housing for those who will become displaced from the Storke Family Student Housing restructure. The group intends to reach out to the staff at large starting out with participating at town hall meetings in the Facilities Management area and later with Housing and Residential Services, two key groups not often heard from. An all campus housing town hall meeting is being planned for Staff Celebration Week in May.
