

## **Campus Update March 2009**

### **Citation of Excellence Awards**

We are currently in the process of selecting our 10 Citation of Excellence award winners. 50 staff members from all areas of campus have been nominated. The awards presentation will take place at the Staff Celebration Picnic on Friday, May 22.

### **Staff Housing Work Group**

The Staff Housing Work Group placed three of its members on the Chancellor's Faculty and Staff Housing Committee. They analyzed data from multiple town hall meetings and the campus survey to create a recommendation for a prioritization for staff housing. The recommendation for a random lottery was accepted by the Chancellor's committee and will be given to the Chancellor via the chair of the committee. The Work Group will organize additional town hall meetings (probably in spring) to inform staff about upcoming housing options and how the lottery will work.
