

Campus Update March – June 2010

Citation of Excellence

We put out our annual request for nominations for the Staff Citation of Excellence Awards. We were very pleased with the response of 52 nominations. A group of 15 staff, which included Staff Assembly members, and past award winners are reviewing the nominations and will choose 12 staff members, (2 alternates) to be honored during Staff Celebration Week.

Staff Celebration Week

We are planning for our Staff Celebration week, which will be held the week of May 10th. This event is in collaboration between all staff groups of CSAC, PWA, ABOG, and Staff Assembly. Staff Assembly will kick off the week with their annual Ice Cream Social and senior administrators including Chancellor Yang will scoop 800 bowls of ice cream to the staff. Other activities that our group will be involved in are the Cookie Contest and Staff Social. At the Chancellor's Luncheon, which is the closing activity of the week, we will announce the Citation of Excellence awards winners. Each winner will receive a plaque and a check for \$500 presented by Chancellor Yang.

Music at Lunch

Working on having music at lunch. Staff that plays an instrument can show off their talents during the lunch hour.

S-List

Getting ready to launch an electronic S-List (staff) for the campus. Which is an all campus email to "all" staff.

Staff Assembly News Letter

To lower the cost of our quarterly newsletter it went on line and was a big success.

CUCSA – Santa Barbara

Planning for our turn at hosting CUCSA on June 2 – 4th, 2010. More to come.
