

CAMPUS UPDATE
MAY 18, 2007

We just had our annual Staff Celebration week (May 7-11). Highlights included the Staff Assembly sponsored Ice Cream Social where campus administrators scoop and serve ice cream to staff on campus and a Staff Social co-hosted by the Chancellor's Staff Advisory Council (CSAC). The week ended with the Chancellor's Staff Barbecue where the ten recipients of the Staff Citation of Excellence awards were honored and acknowledged. Chancellor Henry Yang and Vice Chancellor Donna Carpenter presented each recipient with a plaque and a check for \$500.
