

Campus Update September 2006

Annual Staff Assembly Retreat

Staff Assembly held its annual retreat in August. We reviewed the events that we held during the year, including the Wellness Workshop Series, a Halloween Decoration and Costume Competition, a weekly staff walk, and the Ice Cream Social, Arts and Crafts Show, drawing of donated goods, and Cookie Taste-Off – all held during Staff Celebration Week.

We concluded that we will continue to sponsor the Ice Cream Social, Arts and Crafts Show, drawing, Halloween Competition, and Cookie Taste-Off. We will coordinate a Workshop Series, work with Human Resources on co-sponsoring an ongoing fitness program and a wellness fair, and present a staff talent show.

In addition, we will continue to work closely with the Chancellor's Staff Advisory Committee, so that both staff groups are aware of each other's activities.

Not bad for 16 members!
