UC San Diego Update for CUCSA: June 2005

UCSD Staff Association Update

The UCSD Staff Association has a new website on Blink:

<http://blink.ucsd.edu/go/staffassociation>

Since hosting the March 2005 CUCSA meeting, the UCSD Staff Association has been working with the campus Cross Cultural Center in securing storage space and mailboxes for the eleven staff associations at UCSD.

The campus celebrated an inauguration of its newest Chancellor: Mary Anne Fox, who is very supportive of staff and all the staff associations at UCSD.

Rubio's scholarship fund-raiser

Staff Association office Ken Tomory is working to establish an on-going Rubios' fundraising event for staff development scholarships and has been begun a dialogue with the UCSD Development office to further these efforts.

Rubio's scholarship fund-raiser: Eat lunch at Rubio's in the Price Center on Monday, June 6, and 20% of revenue will go to the UCSD Staff Association Scholarship Fund. Just print and present [this flier](#) (PDF).

Exemplary staff honored

UCSD Burn Center clinical nurse Leann Cortimiglia has been named the 2004-2005 Principal Exemplary Staff Employee of the Year. [Read about Leann and the nine other recipients.](#)

The [UCSD Staff Association Scholarship Program](#) makes awards up to \$350 to eligible members for completed career training. At least ten scholarships will be awarded this year; the deadline for applying is June 27, 2005.

The new Executive Board will begin in June 2005. Plans are underway for the following: Annual UCSD Staff Association Staff Appreciation Picnic, the Chancellor's 5K, Rubio's Fundraising, and the Holiday Pancake Breakfast.

Going to the game?

Come out to PETCO Park on Friday, June 10, for the 2005 [Chancellor's Take Me Out to the Ballgame](#) event. Meet at the park before the game to socialize, and then see the Padres take on the Chicago White Sox.
