Update since August meeting:

The UCSD Staff Association from the last update held our Staff Appreciation Picnic. It was the first day our new Chancellor Marye Anne Fox arrived at our campus. She said it was a great way to be welcomed to the campus after a long drive across the country. Jacque and I have been meeting with Associate Chancellor Clare Kristofco and have begun developing a great partnership with the Chancellor's office. Our first meeting with Chancellor Fox, she reiterated the importance of the staff and the relationships we build. She wishes to further our partnership by continually working together and by keeping the communication open. She has created Staff Walk-in hours, where staff can sign-up for 15 minutes with the Chancellor. She has also done this for faculty and students.

The Staff Association hosted a night at the theatre to see Les Miserables. We sold about 150 tickets and raised about \$1,400 for our scholarship program for staff development.

Soon we will host our Holiday Pancake breakfast to a seating of 800 guests.

Respectfully submitted,

Ken Tomory
Junior Delegate
